## FAQ

### **When can you arrive at the Cloncurry Equestrian Centre?**

Our committee is busy getting things in order on the Monday, but we are happy to accept trade sites from Wednesday onwards. This allows us time to mark out our trade site area and for our onsite generators to be in place.

### **Can you camp with your trade area?**

We offer a full time overnight security guard on Friday & Saturday Night when the crowds are around. If your camp consists of more than one vehicle you may be asked to camp outside the trade site area, or back against the race course fence to keep the area neat & clear.
