

2024 TRADE SITES

Event overview:

- Thursday** Event starts in the evening approx. 6pm. This night is low key, and attracts a quiet crowd that enjoy sitting & watching. There is opportunity for food stalls as people want dinner & cold drinks.
- Friday (day)** Junior Rodeo kicks off at 8am, followed by professional rodeo at 12pm. Crowds are steady and food and shopping stalls can attract business. Rodeo action finishes at 4pm at the Equestrian Centre
- Friday Night** Friday night is based in town, with street parade, Xtreme Bulls, Brophy's Boxing Troupe & Live Music. Trade site applications for this night are accepted separately to this application.
- Saturday** The main livewire day of rodeo action and family fun. Our event is completely free gate entry to encourage families to come along and spend the day and some money at our trade sites, merch tent and bar.
- Sunday** ATRA from 10am, this is a low key day that attracts the Sunday sesh crowd. Often looking for a bite to eat & lots of coffee and recovery snacks. Event goes until late, but the crowd lessens after lunch.

FAQ

When can you arrive at the Cloncurry Equestrian Centre?

Our committee is busy getting things in order on the Monday, but we are happy to accept trade sites from Wednesday onwards. This allows us time to mark out our trade site area and for our onsite generators to be in place.

Can you camp with your trade area?

We offer a full time overnight security guard on Friday & Saturday Night when the crowds are around. If your camp consists of more than one vehicle you may be asked to camp outside the trade site area, or back against the race course fence to keep the area neat & clear.
